

# PATHOS

<b>INPOL® amplifiers</b>	<b>MPC</b>
<b>TT Anniversary</b> integrated amplifier 2 x 35W@ 8 Ohm — purely resistive optical/relays remote controlled volume — balanced inputs — remote controlled input selector	41.900,00 kn
<b>TT RR</b> integrated amplifier 2 x 35W@ 8 Ohm — purely resistive optical/relays remote controlled volume	37.900,00 kn
<b>Inpol2</b> stereo integrated amplifier 2 x 45W@ 8 Ohm — Pure class A — double INPOL technology — fully balanced — purely resistive relays remote controlled volume	58.900,00 kn
<b>InPower</b> monoblock power amplifier 2 x 80W @ 8 Ohm — Double INPOL circuit — intrinsically balanced design	38.900,00 kn
<b>InControl</b> stereo preamplifier Two-stage construction — intrinsically balanced design— purely resistive optical/relays remote controlled volume	41.900,00 kn
<b>Inpol2 PW</b> stereo Power amplifier 2 x 50W@ 8 Ohm — Pure class A — double INPOL technology — fully balanced	52.900,00 kn
<b>Non-INPOL amplifiers</b>	
<b>Logos</b> integrated amplifier 2 x 110W@ 8 Ohm — purely resistive remote controlled volume control	28.900,00 kn
<b>Classic One MkIII</b> integrated amplifier 2 x 70W@ 8 Ohm — purely resistive remote controlled volume control	17.000,00 kn
<b>CD player</b>	
<b>Endorphin</b> CD Player 24 bit — 192KHz — class A, tube — fully balanced — double power supply	52.900,00 kn
<b>Digit</b> CD Player 24 bit — 192KHz — class A, tube — fully balanced	21.900,00 kn
<b>A/V Amplifiers</b>	
<b>CinemaX 5+1</b> integrated amplifier 5 x 120W @ 8 Ohm — 2 x 450W in stereo mode — 6 class A, tube, fully balanced preamp stages — sub out line — pink noise generator	49.900,00 kn
<b>Other products</b>	
<b>InTheGroove MkII</b> MM/MC phono stage Ultra low noise design — battery powered — built-in intelligent charger	13.900,00 kn
