

# PATHOS

## INPOL® amplifiers

MPC

### TT Anniversary integrated amplifier

2 x 35W@ 8 Ohm — purely resistive optical/relays remote controlled volume — balanced inputs — remote controlled input selector

41.900,00 kn

### TT RR integrated amplifier

2 x 35W@ 8 Ohm — purely resistive optical/relays remote controlled volume

37.900,00 kn

### Inpol2 stereo integrated amplifier

2 x 45W@ 8 Ohm — Pure class A — double INPOL technology — fully balanced — purely resistive relays remote controlled volume

58.900,00 kn

### InPower monoblock power amplifier

2 x 80W @ 8 Ohm — Double INPOL circuit — intrinsically balanced design

38.900,00 kn

### InControl stereo preamplifier

Two-stage construction — intrinsically balanced design— purely resistive optical/relays remote controlled volume

41.900,00 kn

### Inpol2 PW stereo Power amplifier

2 x 50W@ 8 Ohm — Pure class A — double INPOL technology — fully balanced

52.900,00 kn

## Non-INPOL amplifiers

### Logos integrated amplifier

2 x 110W@ 8 Ohm — purely resistive remote controlled volume control

28.900,00 kn

### Classic One MkIII integrated amplifier

2 x 70W@ 8 Ohm — purely resistive remote controlled volume control

17.000,00 kn

## CD player

### Endorphin CD Player

24 bit — 192KHz — class A, tube — fully balanced — double power supply

52.900,00 kn

## A/V Amplifiers

### CinemaX 5+1 integrated amplifier

5 x 120W @ 8 Ohm — 2 x 450W in stereo mode — 6 class A, tube, fully balanced preamp stages — sub out line — pink noise generator

49.900,00 kn

## Other products

### InTheGroove MkII MM/MC phono stage

Ultra low noise design — battery powered — built-in intelligent charger

13.900,00 kn
